

Legal Forms You Can Trust

# ADLForms Merge

Below is a full list of software packages that merge to ADLForms.

### AgentSafe

AgentSafe™ minimises the cost risk to real estate offices, in relation to the management & handling of health & safety matters on properties. It makes it easier for agents to comply with Work, Health & Safety, while providing the appropriate resources needed to efficiently, & correctly manage safety & security requirements across the agencies' property portfolio.

### Aro Software

Combining sales, administration & business management systems into one real estate sales software program which you can change to suit your needs.

### Basix: Platform Housing

Fully integrated software – Property & Tenancy, Finance & Accounting, Asset & Works, Payroll & HR, Projects & Construction. Customisable as per individual business requirements, including general Real Estate.

### Complete Data

Complete Data is the teacher of success. The peak performers in the real estate industry use Complete Data for their management software.

### Gateway Live

Fully integrated real estate software solution, combining property management, sales management, trust accounting and customer relationship management software.

### GeeDee Software

At GeeDee we specialise in providing secure, reliable and easy to use software systems for the Real Estate Industry.

### Hirum Software

We specialise in Trust Accounting and Strata Title solutions, Reservations, Guest Accounts, Reporting and Channel Management software for the Accommodation Industry.

### InspectRealEstate

InspectRealEstate (IRE) is a customised, agent-branded, real estate software that helps agents by automating time-consuming processes including inspection bookings, tenant & buyer communications, inspection schedules, applications, form filling & much more. Our solutions include RegisterOnline, AppTracker, Key Tracker, IRE BDM & LeaseTracker (incorporating ADLForms).

### Property360

A comprehensive trust accounting platform designed for the property management rights business. Manage your entire townhouse complex, apartment or student accommodation with a click of a button.

### Realoz Office / Realoz RPM / Realoz CPM

Full Sales & Property Management modules for Real Estate.
