ADL*Forms* Installation & Registration Instructions

Legal Forms You Can Trust

INITIAL or REPAIR INSTALLATION:

1. Go to the ADL Software web site (www.adlsoftware.com).

2. Click on '**Download**' from the main menu.

3. In the ADL*Forms* tab click on the <**Download ADL*Forms***> button to download and run the installation program.

4. Follow the installation program's onscreen prompts and restart your computer if prompted.

5. Start ADL*Forms* by double-clicking on the ADL*Forms* Icon on your desktop. Follow the prompts to setup ADL*Forms* on your Desktop PC.

REGISTRATION INSTRUCTIONS:

1. When prompted, select '**Enter my Registration details**' and click <**Proceed**>.

2. In the '**Express Registration**' window enter your '**Client Number**' and '**Registration Code**' and click <**OK**>. If the Express Registration fails, contact our friendly Support team for assistance.

3. Where required, in the 'ADL Options' screen, enter any additional information not automatically inserted into the 'Registration' and 'Postal Address & Extra Details' tabs (e.g. License No., ABN, etc).
   NOTE: Any field that has a blue asterisk next to it cannot be changed without submitting a Change of Details Form.

4. Click the <**Save**> button. A message saying 'Registration details have been saved correctly' should appear. Click <Ok> then click <Exit>.

CONGRATULATIONS, YOU ARE READY TO USE ADL*Forms*!
